

# St Quintin and Woodlands Neighbourhood Forum and Plan

A reminder about  
neighbourhood plans

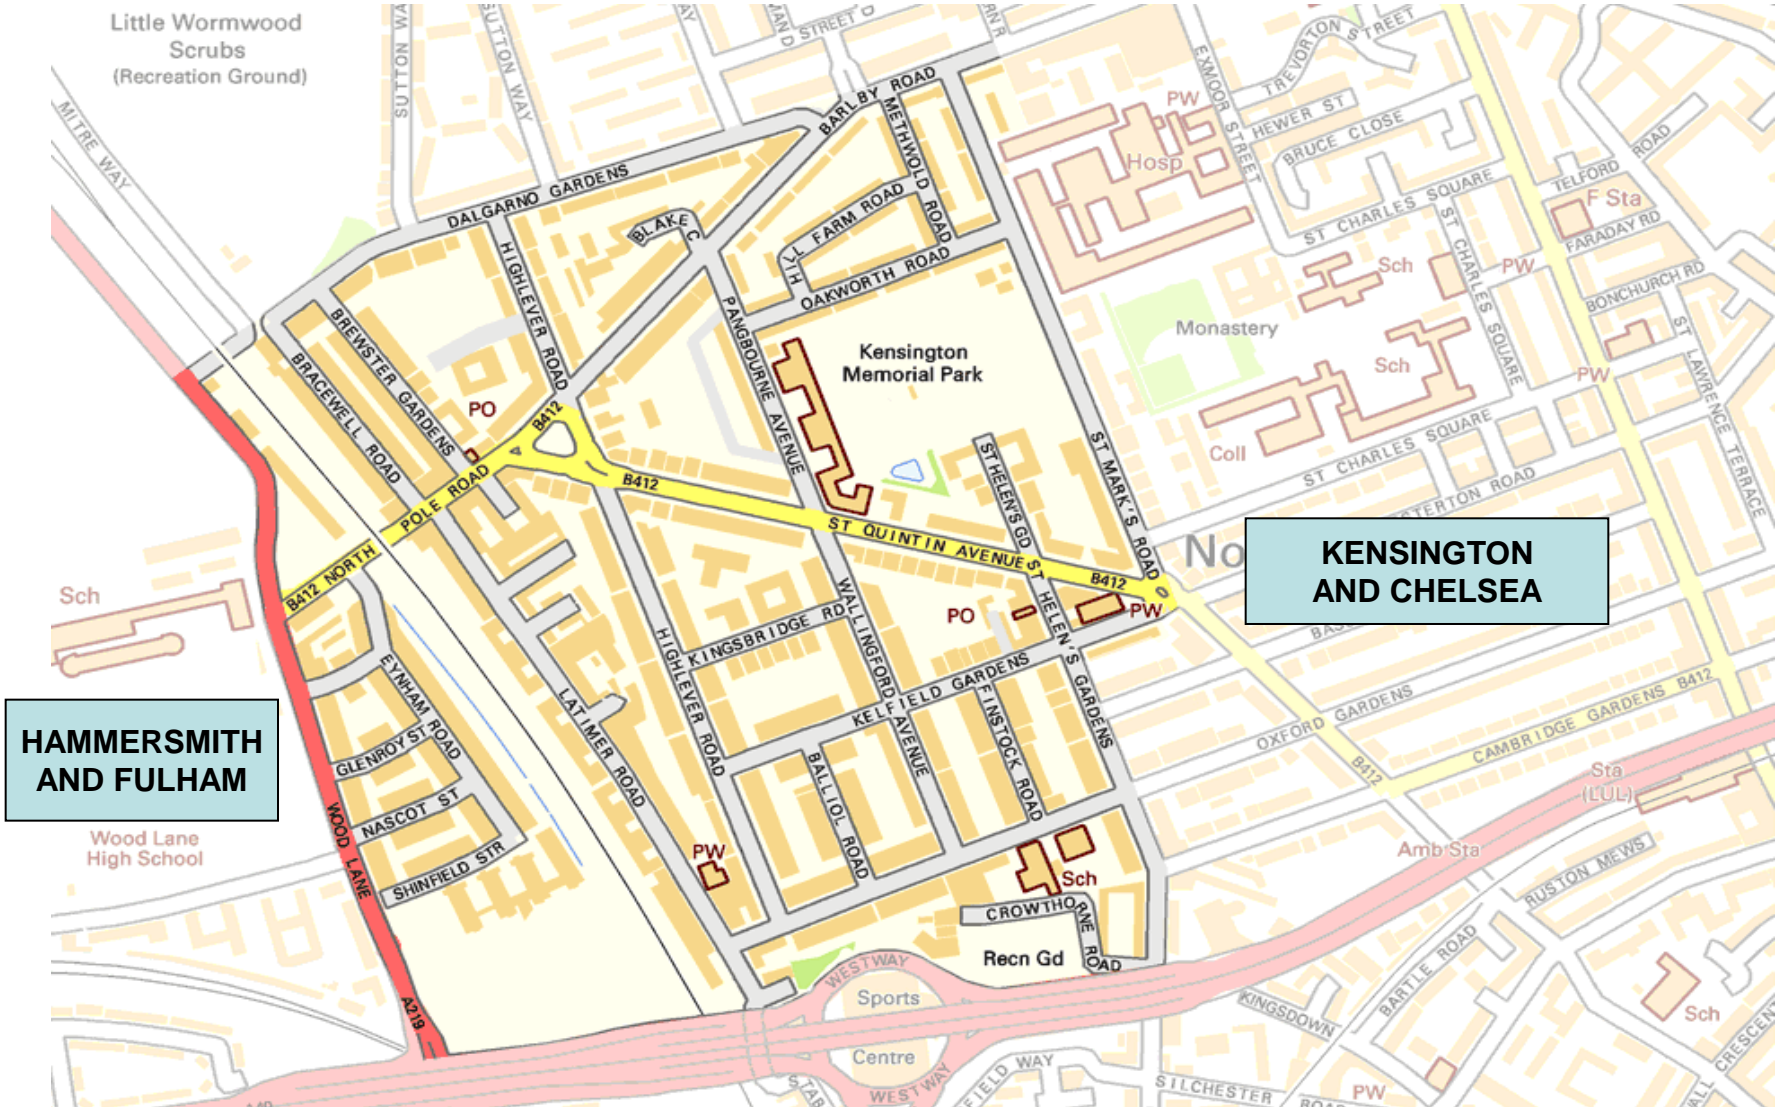

# What is a Neighbourhood Plan?

- a plan for what local people want to see happen in their area
- when completed, becomes part of the council's planning framework, shaping development
- requires 50% plus support from a local referendum, to be adopted
- might take 12-18 months to prepare

# St Quintin and Woodlands Neighbourhood Forum

- was established at an open meeting here on June 27<sup>th</sup> 2013
- membership is open to anyone living or working in the Forum area
- 10 members of a new committee were elected at the last meeting
- 4 people have since said they would like to join the committee, and 1 has resigned.

# We need your suggestions....

- what makes this area special
- what do you like about it
- what is really annoying...
- if there was one thing you could bring into the area what would it be
- and one thing you would lose
